I am an American author that lives in France, though I visit the United States often. I recently hired Ascot Media Group to handle the publicity for my book Storm Over Morocco which is about how I was imprisoned by a group of brainwashing militant Muslims.

Ascot Media Group, in particular Trish Stevens and Marian LaSalle are a very efficient and loyal team. I was surprised that by the end of the first month of working as my publicists, they hadn't wasted any time in setting up 5 TV appearances (including one radio interview), across the US, of which three were broadcast live, including 2 Fox News interviews. I'm looking forward to my next TV tour that is presently being arranged by this team. I highly recommend them to anyone needing a jump-start on publicity.
